etrack

PRODUCT TRACKING

Improve your knowledge about product quantities on the jobsite with product tracking tool, etrack. Use etrack to eliminate the guesswork by providing regularly scheduled and accurate reporting about how much product has been used versus how much was ordered or estimated. Best of all, etrack is a no-charge, value-added Viking Electric service!

- Replaces Hard Copy/Clip Board Audits
- Reports Quantities Used vs. Ordered
- Reports Quantities Remaining
- Reports Percentages of Quantities Used
- Reports on a Pre-Determined Schedule
- Accurate Counts Eliminate Guesswork
