Capital Electric

A Sonepar Company

At Capital Electric Supply, our mission is to be The Electrical Distributor of Choice for our customers, our employees, and our suppliers. With over 70 locations reaching from York, PA to Savannah, GA, our branches have access to all the benefits a large electrical distributor has to offer, while keeping our local roots. We are dedicated to delivering excellence in service, products from the finest manufacturers ranging from electrical products and lighting to tools and safety, industry-relevant training, extensive application expertise, and customized, comprehensive solutions to our customers. Whether you are in the electrical, residential, commercial, industrial or government field, we strive to be more than just your electrical supplier, but a trusted resource you can rely on. For more information, visit our new state-of-the-art ecommerce site and explore our capabilities. Visit one of our local branches today, and let us show you why your neighbors choose Capital Electric Supply.
