IMPROVE PROTECTION

BRK 10-Year alarms provide maximum protection even if the power is shut down. By operating on battery backup, properties remain protected without additional maintenance!

ELIMINATE CALL BACKS

Alarm maintenance and battery replacements are both costly and time consuming for your facilities maintenance team. Eliminate the hassle and scheduling headaches with your residents by installing 10-Year alarms.

MINIMIZE LIABILITY

BRK 10-Year alarms have sealed battery compartments. Sealed batteries cannot be removed or tampered with which means homeowners & residents are always protected!
