

BLT Series

Best Value Low-Profile LED Luminaire

Looks To Kill. A Price That Doesn't.

The BLT Series offers a clean design, shallow fixture depth for easy installation, plug-n-play or wireless control options, and the reliability of a brand you trust—all at an attractive price.

- Slim 2-3/8" profile that fits restrictive plenums and optimizes pallet space
- Replaces 2- or 3-lamp fluorescent fixtures for energy savings of up to 60%
- nLight® AIR enabled for wireless connectivity
- Dimming down to 1%
- Clean, neutral design ideal for commercial applications and distributor stock
- Numerous DLC standard and premium listings

BLT Series LED Luminaire

*Stock models do not include decorative trim rings

Jobsite-friendly benefits make it easier to get the job done.

With its low-profile design, the BLT troffer offers greater installation flexibility, especially in **applications where plenum space is limited**.

The BLT troffer really stacks up. The low-profile form **allows more fixtures to fit on a single pallet**, saving space—50% on average—and lowering overall transportation costs.
