AMERICAN-MADE PRODUCTS

BUILT WITH LEGENDARY QUALITY.

FOR 86 YEARS, BRIDGEPORT HAS BEEN CASTING A STRONG, MIGHTY AMERICA.

When you think American, think Bridgeport. We're investing in our U.S.-based manufacturing operation in Stratford, Connecticut. We're investing in equipment, improving process automation and developing new products – all in the U.S.

And still today, nearly three-quarters of our product volume is manufactured in the U.S. See the American-made products for your projects here or visit us online at: www.bptfittings.com/american

SUCCESS AT HOME: FORT BLISS, TEXAS

Electra Sales, the Bridgeport Sales Representative in North Texas, Oklahoma and New Mexico, became aware of a military refurbishment project at Building IBOTA 1 in Fort Bliss. Realizing the project was specified USA steel, they contacted the contractor and explained both the cost and material benefits of Bridgeport's U.S. Made zinc die cast fittings. With the contractor, they reviewed UL514B and the fact the zinc and die cast fittings pass the same performance testing as steel fittings.

The result: Bridgeport got the order for U.S. Made product. The bill of material included set screw EMT connectors and couplings, straight and 90° flex connectors and combination couplings.

Bottom line: The government uses U.S. Made product and saves money using zinc over steel.

AMERICAN-MADE PRODUCT LISTINGS

SPECIALTY PRODUCTS

Jack Chain

Supports fixtures. Maximum safe load is 25 lbs.

Catalog Number	Size	Description
701	#12	100' Spool
703	#12	300' Bucket

"S" Hooks

Supports fixtures. Maximum safe load is 25 lbs.

Catalog Number	Size
705	1 1/4"

Galvanized Steel Safety Plates

Protects cable running through wooden studs from nails and screws.

UL File No. E161206

Catalog Number
732-SP

Plastic Knockout Plugs

To cap unused knockout holes in a box or enclosure. Plastic.

Catalog Number	Trade Size
9893	1"
9894	1 1/4"
9895	1 1/2"
9896	2"

Box Supports

Supports FS boxes, outdoor lighting fixtures or similar devices per NEC Article 370-23 requirements. Tapered NPT threads provide a raintight seal. Simply assemble the box support onto the box or fixture and fasten to steel rigid conduit or water pipe driven into the ground.

UL File No. E161206: BS-050

Catalog Number	Trade Size
BS-050	1/2"
BS-075	3/4"

Duct Seal

Used to seal around boxes, flashings and service entries. #1003 asbestos-free sealing compound is pliable, noncorrosive to metals and can be painted. For both indoor and outdoor use.

UL File No. R14730

Catalog Number	Slug Size
DS-100	1 lb.
DS-500	5 lb.

Steel Expansion Couplings

Low cost and easy to use. Assembles like a regular set screw coupling. Use to compensate for plus or minus 2" lateral movement of conduit in dry locations. May be used with optional Bonding Jumper assembly (Cat. Nos. BJ-100, BJ-200 and BJ-400). See Grounding Section. Patented.

UL File No. E24001

Catalog Number	Trade Size
EC-075	3.4"
EC-100	1"
EC-125	1 1/4"
EC-150	1 1/2"
EC-200	2"
EC-250	2 1/2"
EC-300	3"
EC-350	3 1/2"
EC-400	4"

2 1/2" thru 4" suitable for use with EMT or rigid conduit.

Firestop

A water-based, noncorrosive, nontoxic, odorless quality intumescent. The FS-1000 is rated 3000°F for 8 hours. Adheres to most construction materials including ceramics, composites, masonry, metal, plastic and wood. Can be safely removed with soap and water prior to curing. Paintable and sandable. Classified by UL as a noncombustible product in compliance with zero flame and zero smoke index.

UL File No. R25422

Catalog Number	Cartridge Size
FS-1000	10.5 fluid ounces
