

# 3M™ Lexa™ Series

## Eye Protection

Engineered  
for Safety  
Designed for Style

### Fully adjustable safety eyewear

Lexa's unique ellipsoidal lenses provide broad scope viewing without obtrusive side shields or any parting lines. The lenses and temples are fully adjustable to provide a customised, correct fit.

# 3M™ Lexa™ Series

## Features and Benefits:

### Style

- + Choice of frame colours
- + Available in two lens sizes

### Protection

- + High impact nylon frame
- + Durable polycarbonate lens
- + Unique aspheric lens follows facial outline to enhance protective coverage
- + Lens absorbs greater than 99% UV
- + DX™ anti-fog, hard coating for good resistance to fogging, chemical attack, scratching and static
- + AS/NZS1337.1 Medium Impact Rating

### Comfort

- + Temples adjust to four different lengths for better fit
- + Lenses can adjust to three different angles for a customised fit
- + Adjustable nose bridge design is soft and pliable so wearers can shape it specifically for their noses

### Packaging

- + 1 pair/bag, 10 bags/case
