

P5506 thru P5510 - Channel Nuts w/Spring (1-5/8" Series)

Long Spring Channel Nuts allow for easy installation into Atkore channel. Once inserted into the channel and with a 90° turn, these spring nuts will stay in place allowing hands-free installation of other components.

Features

- 1/4" - 1/2" sizes available
- Springs allow hands-free installation
- For use with P5500 or P5000 channel
- The 1/2" size in an EG finish are OPM and LARR pre-approved for seismic bracing
- Seismic load capacities have been tested in accordance with seismic standards
