A SMARTER TIMER

Mechanical timers are a hassle — they need to be manually adjusted throughout the year. Caséta Wireless makes exterior lighting control simple.

Smart Switch Starter Kit

Hassle-free lighting control of **permanent entry lights**. Simply replace an existing interior switch with Caséta.

KEY FEATURES:

- Perfect for switching front and back porch lighting or landscape lighting
- Schedule outdoor light changes by sunrise/sunset or time-of-day via Lutron App
- Automatically adjusts for Daylight Savings
- Allows homeowners to control their lights with an app, their voice, or remote

NEW! Outdoor Smart Plug

Weather-proof, convenient control of **plug-in exterior lights and pumps**. Unlike traditional timers, set it once and forget it.

KEY FEATURES:

- Great for switching string lights, holiday lights, small motors, and more
- Set a schedule via Lutron App* and it stays on the right time year-round—even with Daylight Savings
- Switches 15A lighting load, ½ HP motor load
- Built to withstand severe weather (IP65 & IP66 rated)

**Requires Smart Bridge or Smart Bridge PRO*
