## Weatherproof Boxes & Covers Heavy Cast Aluminum Covers Flush Enclosures

4600, 4600-1P, 4600-7P, 4600-8P, 4600-26P, 4609

### Lock out weather — and unauthorized users.

**T**hese heavy aluminum covers keep weather out with neoprene gaskets — and unauthorized users out with a sturdy cam lock. Each cover comes with two keys. In addition to the mounting screws that secure covers to the box, these rugged covers lock into walls via mortar keys.

### Features & Benefits

Adapter, frame and cover are heavy cast aluminum.

**Neoprene gasket** seals cover to frame so moisture and dust cannot enter.

**2 keys provided** for cam lock.

**Mortar keys** provide positive holding means within wall.

**#8-32 screws** hold assembly firmly in place.

4600
