

RH1103PTC

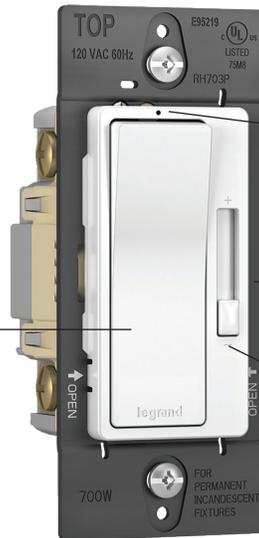

Energy-saving dimming Incandescent loads.

RH703PW/RH703PTC, RH1103PW/RH1103PTC

radiant® dimmers help save energy simply, and as part of the radiant collection, now offer a better fit, form and finish. Compatible with incandescent dimmable bulbs, these dimmers feature constant memory that returns lights to the previous level after a power failure for automatic control and convenience.

Features & Benefits

Convenient operation: combines ON/OFF paddle switch with separate slider for dimming control.

RH703PW

White LED glows when device is OFF to make dimmer easy to find in the dark.

Sleek, ergonomic design that matches today's styles.

Wider slide controller for easier dimming operation.

- **Preset, Single Pole and 3-Way operation.**
- **Interchangeable face plates** available in eight colors (RHKIT*; sold separately).
- Constant memory returns lights to previous level after a power failure.
- No de-rating required in multi-gang applications for RH703P dimmer.

3rd Party Compliance

 cULus listed, UL1472, CSA
