SERVICES AND SOLUTIONS

Viking Electric is a market leader serving the Upper Midwest electrical industry, distributing quality products from over 400 manufacturers. Viking Electric has a tradition of leadership in the electrical distribution industry and has a dedicated team of associates serving the needs of our customers by providing exceptional service and innovative solutions.

Digital Solutions

- Viking Online and Mobile App
- eQuotes
- eFill (bin stock/bin fill/VMI)
- Scan Search
- eLink (system to system connectivity)
- EDI and online bill pay
- PunchOut
- eTrack (product tracking)

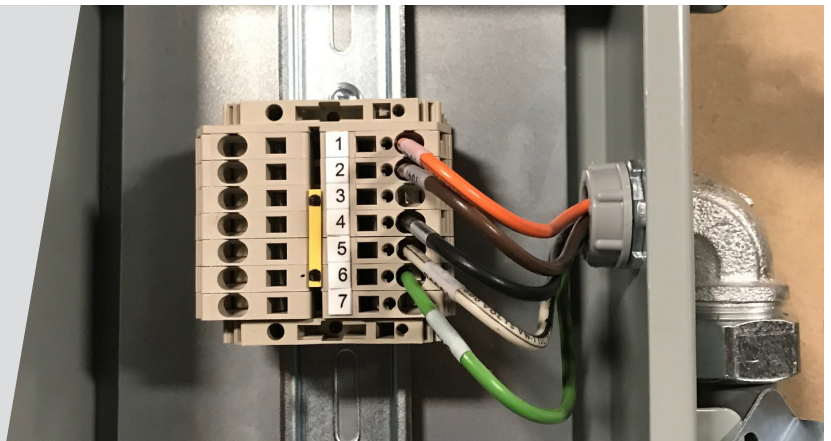

Services

- Twice Daily Deliveries
- 21 Stocking Locations in WI & MN
- Project Management Teams
- Product Specialists
- Dedicated Account Support
- Custom Kitting
- Product Staging
- Counter Service/Will Call
- Emergency After Hours Service

Solutions Center

- Circuit Breaker Modifications
- Control Panel Assembly
- Din Rail and Wire Duct Cutting
- Enclosure Modifications
- Engraving and Custom Labeling
- Fixture Whip Assembly
- Kitting
- Panelboard Modifications and Assembly
- Printing Services
- Product Modifications
- Terminal Block Assemblies
- Wiring and Wire Harnesses
- Wire Cutting, Stripping, Terminating and Labeling

Viking Electric Locations

Viking Electric Facts:

- 21 branch locations in Minnesota and Wisconsin
- 558,000+ sq. feet of warehouse space
- 30,000 inventory items
- 400+ manufacturers

Schneider Electric innovative products for industry

- Low Voltage Motor Control Solutions
- NEMA Motor Control Solutions
- Circuit Protection Solutions
- Limit Switch & Sensor Solutions
- HMIs, PLCs & Relays
- Motion Control

Life Is On
